Advt. No.: CEP-01/2023   **Dated: 06-02-2023**

Advertisement for the Karyashala (High End Workshop)

Applications are invited from the interested candidates for High End Workshop positions (25) to work under the KARYASHALA Program event titled **"Hands-on Training on the Advanced AC-DC Hybrid Distribution System"** sanctioned by **Accelerate Vigyan, SERB**. The Workshop will be conducted through **offline mode** from **15-03-2023 to 24-03-2023**

Participants: Eligibility Criteria

1. Only PG level Students and Faculty (i.e., the students pursuing their Masters or Ph.D. degree from a recognized university/institution) working in the relevant area of specializations are eligible to apply.

2. The relevant areas of specializations include (but are not limited to) Power System, Renewable Energy Resources, Distribution System, Power Electronics and other related areas of research.

3. The applicants must produce a letter of authentication from their Supervisor/Head of the Department/Head of the Institute indicating their association with the institute and "No Objection Certificate (NOC)" for allowing their student to undergo training in the workshop, if selected. There is no dedicated format for the same however; it must be obtained on the institute/university letter head.

Participants: Desirable Qualification

1. Good academic record and experience in the relevant areas of specializations.

2. GATE score in relevant engineering stream.

3. Publication(s) in recognized national/international conferences and journals of repute.

Nature of Support

1. The course will be completely free of cost for the shortlisted participants.

2. The maximum number of participants is limited to 25.

3. All the selected participants will be given accommodation in Institute hostel rooms with catering facilities.

4. The participating students will be eligible for TA reimbursement for their journey to the host institute from their hometown/home institute, both ways, as per the GoI norms.

5. The participants will be provided with the necessary stationary and consumables items for the workshop.

6. A certificate regarding successful completion of workshop shall be issued to the participants.

7. More details can be found in Accelerate Vigyan website.

Application Process

Duly filled application form along with the requested details, scanned copies of certificates, and other supporting documents including the letter of authentication should be uploaded through the online portal (https://apply.iitjammu.ac.in/#/home) latest by **Monday, 27th Feb, 2023**. Please apply through [Contract Staff] tab on referred application portal. The applications will be screened and the candidates will be selected on merit basis. The list of selected candidates will be posted on the IIT Jammu website (www.iitjammu.ac.in) by **3rd March, 2023**.

Other Important Information

1. The applicant will be responsible for the authenticity of information, other documents and photographs submitted.
2. Incomplete applications (in any sense) will not be considered for screening.
3. The Institute reserves the right to accept the application at any time and consider candidates with exceptional credentials without applications. Qualification and experience may be relaxed by the Institute at any point of time for otherwise exceptional candidates.
4. Mere possessing the prescribed qualification does not ensure the selection of candidate. The Candidates will be selected on the basis of merit and the requirements of the event.
5. Only selected candidates will be informed by email (apart from the information uploaded on the website), therefore the candidates must provide valid E-mail IDs in their applications.
6. Selected candidates will have to acknowledge and accept the workshop offer through return email, failing which the waitlisted candidates may be called for the workshop.
7. The last date for receiving the duly filled in application is **27th Feb, 2023,** through an online portal.
8. For any other information/queries regarding the internship, the candidates may reach the event organizer through email as per the details given below.
