Objective of the TOUR

- This is an educational trip. Participants are expected to understand that this tour is to enhance academic exposure to the participating students.
- The tour aims to enhance interaction & promote mutual understanding between people of different cultures.
- Participants, especially journalism and hospitality students, are encouraged to maintain a daily journal during the tour.
- At the end of the tour, participants are required to submit a report on their experience on any theme (eg. Arts, sports, culture, tech, etc.) of their choice. This is mandatory to receive a participation certificate.
- Participants can also submit photos and videos along with their report.

- **Do maintain the academic decorum of the tour.**
- **Do follow civil discipline.**
- **Do follow the rules and regulations of the host institute.**
- **Do keep your participation IDs and character certificate with you all the time.**
- **Do interact in local activities. Learn about each other's culture.**
- **Do maintain a daily journal.**
- **Do respect each other's individuality, irrespective of different socio-ethnic backgrounds.**
- **Do submit an experience report/paper on a theme of your choice.**
- **Incase of any emergency, inform the event coordinators immediately.**

- Do not leave the group without any information to the event coordinators.
- Participants staying at IIT Guwahati are strongly advised not to leave the campus.
- Do not indulge in any kind of substance abuse such as smoking, alcohol, or drugs. This is strictly prohibited.
- Do not disrespect each other's beliefs, social backgrounds, culture, or individual identities. Remember that this is an educational tour.
